Making a Will, Updating Your Old One?

Thanks to the foresight and philanthropic generosity of past Kent Street students, the Kentian Scholarship Foundation offers scholarships to deserving secondary school students embarking on their senior schooling years. We aim to help them achieve their true academic and vocational potential.

Past Kent Street students have contributed to the development of Australian society in many ways, including political, business, scientific and community leadership. Our school community wants this tradition to continue.

We urge you to donate or arrange a bequest to the Kentian Scholarship Foundation so that you can help to make a difference to Kent Street Senior High School students striving to make a positive impact in our community.

The Kentian Scholarship Foundation is a registered charitable organisation with deductible gift recipient status. Your tax-deductible donation will be invested to ensure the longevity of the scholarship program. In 2015, the Foundation offered six scholarships valued at $1000 each. We seek to increase this to ten scholarships by 2017. We need your help to achieve this milestone.

Yours faithfully

Bob Linfoot
Trustee

Kath Ward
