KENTIAN SOCIETY
SUPPORTING KENT STREET SENIOR HIGH SCHOOL

Organising a Reunion

1. Contact someone who has already done one. Contact the Kentian Society for organisers of previous reunions.
2. Use the **West Australian** - Monday 'Can You Help' column for free advertisement.
3. Use the local newspapers – Community News, Southern Gazette etc. for free advertisements.
4. Develop your own phone/email network of ex-students.
5. Check names against Leaving Certificate results. e.g., from the **West Australian** c. January 1959.
6. Sources addresses of known students from the White Pages and electoral rolls
7. Advertise on free websites. e.g. Kentian Society, 'Facebook', 'Friends Reunited', 'School Friends'.
   Once your reunion is organised, the Kentian Society can post the details on our website, from a 'Word' or PDF document. This is a free service.
8. For future reference and reunions, help the Kentian Society update the enrolment list from 1940 to 2012. We have the names of all ex-students on our database but we also need your date of final attendance and your email address. This will enable us to provide better data to members, in the future.

For organisers of previous reunions contact the Kentian Society on one of the following:
